DRUG DEALER PRIEST WATCHED LIVE SEX SHOWS IN THE VICARAGE

FULL
SHOCK
STORY
- INSIDE

HOLY SMOKES:
Miller at work
and (below)
after his arrest

By BRAD CHADWICK

A VICAR charged with dealing crystal meth out of his church's rectory watched men doing sex acts in his living room, cops say.

Herbert Miller, 63, was found to be in possession of crystal during a traffic stop and cops discovered the holy man gave the drug to junkies in return for watching them perform lewd acts at the vicarage.

Miller has been suspended from ministry after detectives snared the randy vicar using a set-up drugs deal.

Charles still hopeful of Aussie trip

THE King is still hoping to visit Australia with Queen Camilla in October, despite his recent cancer diagnosis.

The monarch's ongoing treatment had thrown his appearance to the country this autumn in doubt, but a Palace source says the King still hopes to complete the visit as part of a long-haul trip.

The visit is scheduled around the Commonwealth heads of government meeting in Samoa and was confirmed by Aussie PM Anthony Albanese.

The source said: "We continue planning, but we're not at any stage to confirm timing or dates because it's the first week of the King's treatment. It certainly remains the case that he's hopeful it will go ahead."

The visit will be the first by a ruling monarch since Elizabeth II in 2011.

Wage growth in UK stalls

WAGE growth slowed again in the British jobs market but is still outpacing price rises, official figures show.

Pay, excluding bonuses, grew by 6.2% in the last three months of 2023 compared with the same period a year before, according to the Office for National Statistics (ONS).

After taking price rises into account, pay went up by 1.9%.

But the statistics watchdog has said it could not guarantee the reliability of jobs market data because of falling response rates.

Party uproar over Jew-hate candidate

WITH just weeks to go until the Rochdale by-election, Labour has no candidate.

The party has "withdrawn support" for their candidate Azhar Ali over anti-Jewish comments he reportedly made at a meeting.

The Daily Mail published a recording apparently of Mr Ali blaming Jewish media figures for fuelling criticism against a pro-Palestinian Labour MP.

It means Labour will not have a candidate on the ballot paper as it is too late to replace him. Mr Ali could still be elected as an independent MP.

It's a major blow for Labour after senior party figures spent

By COLIN HURST

days defending Mr Ali as a candidate after the Mail on Sunday published comments from Mr Ali, claiming Israel "allowed" the Hamas attack.

Mr Ali apologised to Jewish leaders for my inexcusable comments".

On Monday evening, the Mail published a second recording, allegedly of Mr Ali, blaming "people in the media from certain Jewish quarters" for the suspension of Andy McDonald from Labour.

McDonald was suspended last year after saying: "We will not rest until we have justice. Until all people, Israelis and

Palestinians, between the river and the sea, can live in peaceful liberty."

Labour's National Campaign Coordinator Pat McFadden said Mr Ali was suspended after "more comments" came to light.

Antisemitism

Mr McFadden said "the fact you have got very rare circumstances where a political party is withdrawing support for a candidate after nominations have closed" showed Labour leader Sir Keir Starmer was serious about "rooting antisemitism out of the Labour party".

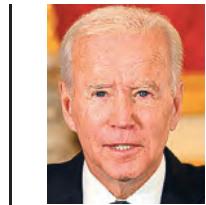

Mr Ali was favourite to take over as MP for Rochdale after the death of Sir Tony Lloyd. It

is now also highly unlikely that Mr Ali – a Lancashire County Councillor – would be selected by Labour to fight the forthcoming general election.

A Labour spokesperson said: "Keir Starmer has changed Labour so it is unrecognisable from the party of 2019... it is vital any candidate put forward by Labour fully represents its aims and values."

Labour has faced intense pressure since Mr Ali's remarks on Israel first surfaced, with widespread condemnation from party members and political rivals.

Frontbenchers Lisa Nandy and Anneliese Dodds had been out campaigning for Mr Ali in the constituency at the weekend.

Biden vows to protect Palestinians

US President Joe Biden says civilians who are "packed" into Rafah in the Gaza Strip are "exposed and vulnerable" and must be protected.

Israel must make "credible" efforts to protect the more than a million Palestinians sheltering in the southern Gazan city.

Rafah has come under heavy Israeli air strikes in recent days, with a number of casualties reported.

Last week, Israeli's Prime Minister Benjamin Netanyahu announced he had ordered troops to prepare to expand its ground operation to Rafah.

He vowed to defeat Hamas gunmen hiding in the city.

UN human rights chief Volker Türk said any assault would be "terrifying" and many civilians "will be killed".

More than half of the Gaza Strip's population of 2.3 million is now crammed into the city on the border with Egypt, which was home to only 250,000 people before the war between Israel and Hamas erupted in October.

Rishi slumps to new low

THE Tories have slumped to their lowest vote share with Rishi Sunak as Prime Minister, according to a new poll.

The latest Redfield & Wilton survey showed the Conservatives on just 21 per cent support among voters, down three points since last week.

Labour's lead surged to 25 points with Sir Keir Starmer's party backed by 46 per cent, up one point – but before the Rochdale by-election storm erupted.

The Tories last sunk to 21 per cent on the day before Mr Sunak was announced as Liz Truss's replacement as PM following her disastrous spell in No 10.

The latest polling blow for Mr Sunak comes at the start of what could be one of the most difficult weeks of his premiership.

...AND NOW THEY'RE REALY IN THE SHIT!

campaign office yesterday, and the whole downstairs is covered with the proverbial..."

A Labour insider said: "With Labour miles ahead in the polls and Keir Starmer looking more and more like the next PM and with the Tories in a whole load of shit of

their own, this was the last thing we needed."

"Not only has our candidate been outed as some sort of nasty Jew-baiter, how our campaign office reeks of stools."

"This does not augur well for Labour candidates – or Labour plumbing, for that matter."

JUST when it could not get any worse for Labour in Rochdale...it did.

The party's by-election campaign office ended up showered in shit when a sewage pipe burst.

The grim news was reported by political journalist Michael Crick on Twitter.

Crick wrote: "If you thought things couldn't get any worse for

LOVE ISLAND STAR HANNAH: I SHOWED HEF MY MINGE

PLAYBOY BOSS:
Hugh Hefner

REALITY telly beauty Hannah Elizabeth says she stripped naked and showed her fanny to **Playboy** boss Hugh Hefner, but insists they never bonked.

The 33-year-old Scouse babe, who appeared on the current series of *Love Island: All Stars*, became a *Playboy* bunny aged 18.

She revealed that she lived in Hef's "run-down" *Playboy* mansion and even modelled without clothes for him.

Chatting on the Saving Grace podcast, Hannah said: "I was Hugh's naked paint model and when I was there I would stand naked on the red carpet and get painted.

"It was my dream to work on *Playboy*, but I never slept with Hugh

- he was too old when I was in the mansion, which was so run down.

"When I used to chat to Hugh he would never understand me! I didn't join in a sex party but I went into the grotto and saw a lot of naughty stuff going on and I thought, 'Nah, this isn't for me', so I left.

"I did meet Snoop Dogg and some other celebs there, though."

Hannah previously spilled the beans about some wild antics at the Chicago mansion, saying back in 2015 before Hef's passing in 2017: "The parties are crazy. But because Hef is quite old now he's only down there for 20 minutes. And then he goes up to bed."

Knickers

Hannah shared: "Obviously, back in the day he was a party boy. But when we're watching a DVD in the cinema room he'll get up to go for a wee and he'll walk really slow. He's not some big playboy. I don't even reckon he's f**king his wife."

She also said: "At the mansion I was naked... no knickers. They spend all day painting you. I'm not arsed about being naked."

Hannah keeps a box of memories from her *Playboy* days and said: "At the time, we didn't have iPhones. I used to take a digital camera, come home, go to Boots and print all my photos off."

"I've got a box full, at my mum's, of all these *Playboy* mansion mad memories. There were naked girls everywhere! You know the machines in Boots? Well, people were waiting behind me while I printed them out!"

Drunk driver shopped HIMSELF to cops

A MAN astonished police officers by calling 999 to report HIMSELF for drink-driving.

North Yorkshire Police said the call came in just before noon on Monday from a man who said he was "drink-driving and doesn't know what he is doing".

The driver, who is in his 50s, told

the call handler he was in Knaresborough and had had "a heavy weekend".

Officers said he was three times over the drink-drive limit when he was located 15 minutes later.

He was arrested on suspicion of drink-driving and remained in custody, a force spokesperson added.

Hammond on Top Gear: it will be back!

PRESENTER Richard Hammond insists *Top Gear* or a similar show will return to screens after it was put on hold following Freddie Flintoff's horror crash.

Production of the hit motoring show has been halted since former England cricket captain Freddie, 46, was injured in an accident at the *Top Gear* test track at Dunsfold Aerodrome in Surrey in 2022.

The BBC announced that it would pause production on the show, as it "would be inappropriate", adding there would be a health and safety review.

Richard, 54 (above), said: "Top Gear was on hiatus when we took it on so it'll come back one day, although in what shape I don't know."

"The decision to buy our next car is probably the most significant contribution we can make as individuals to the future, so we need to be informed. Maybe that's the route it could take?"

LUBED-UP TOSSEER SLIPPED OUT OF CUFFS

A PERVERT arrested for masturbating in a library managed to slip out of police handcuffs as he'd lubed himself up for the self-pleasure spree.

Mark Cowart, 25 (left), was cuffed when officers turned up to Vanderbilt University Divinity Library in Nashville, Tennessee to apprehend him.

But he was out of the shackles in seconds as his hands were liberally smeared in a KY-type sex lubricant.

He later admitted masturbating in the library because he "just felt horny".

Officers from the Metropolitan Nashville

Police Department were called to reports of a man watching pornography on a computer on the second

floor of the library.

A second call told them the man was now actively masturbating.

Officers at the scene saw Cowart sitting at a computer watching porn with his jogging bottoms pulled down and his hands in his boxes "masturbating".

A police report noted there was a sweeties

tube located near the computer, which contained a glass pipe and tobacco.

At least seven people witnessed Cowart masturbating inside the library.

Cowart was booked into the Metro Nashville Jail, charged with public indecency, resisting arrest, and

trespass.

A police source said: "When I heard about this outrage I done said 'Well darn it – the library's a place for learning, not acts of self-pollution'.

"I bet this varmint gets himself some fancy pants civil rights lawyers from Washington."

Mondays are 'going to bed' after new tour

LEAD singer of the Happy Mondays Shaun Ryder says the band will be 'going to bed for about three or four years' when they take a break after their upcoming UK tour.

The 61-year-old (above) will embark on the 'Been There Done That Tour' next month with band members Mark 'Bez' Berry, singer Rowetta, guitarist Mark Day, drummer Gary Whelan and keyboard player and guitarist Dan Broad.

Ex-Sport columnist Shaun said: "I'm really looking forward to the tour. I mean, it's gonna be the last one anyway."

"It's not really. I mean, we've just come back from touring Australia, not long ago, we were on the road doing festivals, but it's going to be the last tour for a while."

"We've constantly been doing the Mondays now since 2012 with the original line-up, so it's now time to make this the last tour and no summer shows so I can concentrate on my other bands and a few other things."

"The Mondays are going to bed for about three or four years."

Speaking about the chance of retirement, Ryder added: "In this game you don't, you stop when you want to or when you can't walk on stage anymore."

Super Bowl ratings over the moon

THIS year's Super Bowl was watched by an average of 123.4 million people in the US, making it the most watched broadcast since the 1969 Moon landing.

US TV ratings put Sunday's game just behind Apollo 11's historic landing, which was seen by an estimated 125 million – although that is thought to be an over-estimate which would make the Super Bowl the biggest ever.

Kansas City Chiefs beat the San Francisco 49ers 25-22 in overtime.

Taylor Swift's highly anticipated attendance to watch boyfriend Travis Kelce may have boosted the figures.

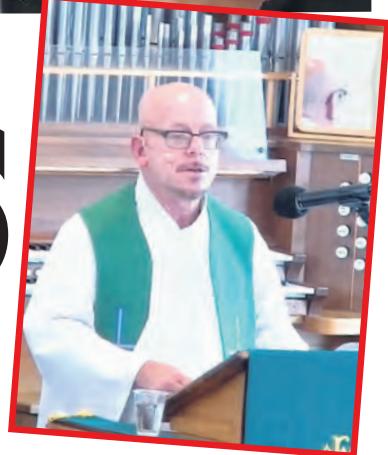

There was much speculation about whether Swift would make it back from Japan, where she is on tour.

Consumer research firm Numerator concluded from a flash poll that 20% of Super Bowl viewers were rooting for the Chiefs because of the singer's relationship with Kelce.

Drug-dealing vicar watched as junkies took it UP THE RECTORY!

I'M SURE THE ALMIGHTY TAKES A DIM VIEW OF THIS

ON A BUM STEER:
Miller hosted sodomites at home

A VICAR charged with dealing crystal meth out of his church's rectory watched men BUMMING IN his living room, cops say.

Herbert Miller, 63, vicar of the Woodbury United Methodist Church, was arrested after being pulled over by cops in Woodbury, Connecticut.

He was found to be in possession of crystal methamphetamine in both rock and liquid form, the latter of which was discovered in a hypodermic needle, ready for injection.

Hawking

A police report says Miller was observed operating his vehicle with a suspended registration for failing to maintain insurance requirements. When police found the vehicle, they also reported finding meth inside.

Cops believe Miller may have been hawking meth in exchange for watching gay couples have sex while he furiously masturbated under his cassock.

The police were reportedly tipped off about Miller's drug-dealing side hustle and apprehended him with

the help of a witness who helped facilitate a drug deal.

Miller, who joined the Woodbury church as its pastor in July of last year, was charged with possession of narcotics with intent to sell, possession of a controlled substance, and use of drug paraphernalia.

He was released on bail and ordered to appear before a judge in Waterbury Superior Court on February 23.

Miller has been scrubbed by his employer from the church website but several of his previously live-streamed sermons remain on the church YouTube page.

In recent sermons, he appears to be missing some of his bottom teeth.

From 2004 to 2018, he was employed by the Park Slope United Methodist Church in Brooklyn, where, according to the church's website, he led the congregation's popular Sunday Dinner Program and was involved in leftie politics.

A Connecticut police source said: "I ain't no expert on Scripture but I'm pretty dang sure that the Good Lord Almighty takes a dim view of drug dealing and is also none too happy about furiously jerking off watching fellas bum each other inside out, no siree!"

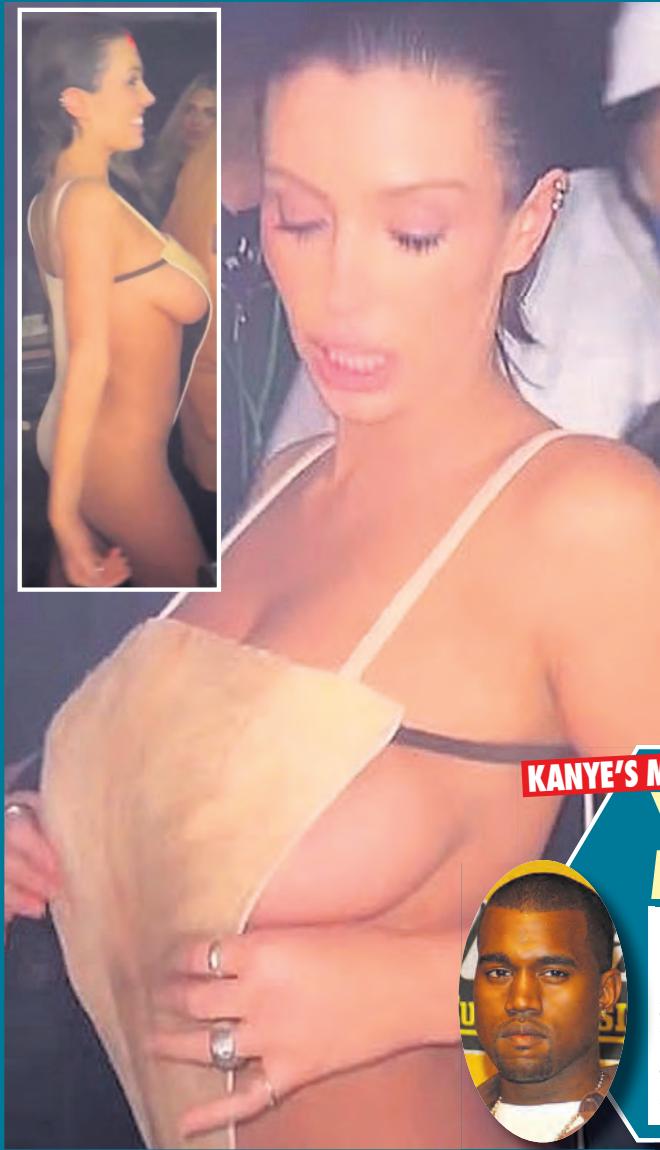

Rival delivers Yodel rescue

PARCEL delivery firm Yodel has been saved from collapse in a last-minute rescue deal led by one of its rivals.

The business has been taken on by YDLGP, a new company backed by the team behind logistics firm Shift.

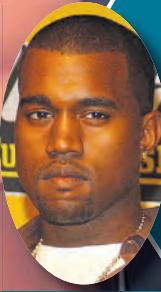

Yodel makes about 190 million deliveries a year and the deal will save thousands of jobs.

The firm was owned by the Barclay family and its clients include brands like Very, Argos, Wren Kitchens and Vinted.

KANYE'S MISSUS GOES ALMOST NUDE AT BASH

YOU LOOKING AT MY WIFE'S TITS?

KANYE West's wife Bianca Censori went nearly-naked as she partied after the Super Bowl in her latest shock outfit.

The Australian designer, 29, flashed her BUSTERS AND ARSE in an ill-fitting tan bodysuit – forcing her to cover her chest as she suffered continual wardrobe malfunctions.

The garment – which she wore without underwear – revealed nearly all of the star's body as she danced with fellow revellers. An onlooker said: "It was side tit central. My wee-wee pointed up".

Clara: mates saw dad get nude with me

HOLLYWOOD star Ewan McGregor's daughter Clara once sat through a nude scene featuring her dad while in school.

The 52-year-old *Trainspotting* actor is set to appear alongside his 28-year-old daughter in new flick *Bleeding Love*.

The duo appeared on *Jimmy Kimmel Live!* and when Clara was asked if she'd seen any of her dad's movies growing up, she said: "I saw a lot of them."

"There was one that was quite memorable... I was a senior in high school and I took a gender studies class."

Ewan put his head in his hand and grimaced as she continued: "My teacher came up to me near the end of the semester and said, 'Listen, there's a movie that I usually teach as part of the curriculum. Your dad is in it and there is some nudity, so I wanted to run it by you before we watched it in class.'

"I said it was fine – I didn't really think much of it – and so we watched a movie called *The Pillow Book*, which is a brilliant film."

"But watching that movie aged 17 with your entire high school class, it's more like they're watching me watch that film."

Brits 'less prudish' about sex

THE British public has become less prudish about sex on screen, the film industry regulator has accepted, with less than 10 percent of films now rated 18.

Viewers have become more relaxed about adult relationships, gore and violence in films, but want stricter policies about sexual violence, David Austin, the chief exec of the British Board of Film Classification said.

Mr Austin added that "expectations have changed" about what should class as adult content, with an increase in 15-rated films but a drastic decrease in 18s in the last 15 years.

But Mr Austin said "people wanted us to classify sexual violence even more strictly", particularly in the post-Me Too era.

"What we're doing is reflecting back the attitudes of society," he added.

A study showed that while nearly half of the films rated by the BBFC in 1974 were labelled as 18, by 2022 that had dropped to just six percent.

Teacher's minge DNA found on teen pupil's sheets

SEX MISS SNARED BY HER OWN FANNY BATTER

FACING PRISON:
Megan Jordan

By JAMES NUMAN
news@sundaysport.co.uk

A SCIENCE teacher faces 50 years in jail after she squirted her sticky minge juice over the sheets of a 14-year-old boy she was shagging.

Megan Pauline Jordan, 25, who got married in 2021, pleaded guilty to four counts of carnal knowledge and one count of indecent liberties of a minor.

Jordan, who taught at Hungry Creek Middle School, in Chesterfield, Virginia, was charged in the case on June 30 last year, before her plea deal.

She will be sentenced at a later date.

Wet-fannied Jordan and the teen sneaked into his bedroom numerous times in the 2022-23 school year to have sex, and her DNA was found on his bedsheets.

Students at the school were shocked to learn the educator had committed the crimes, but others said they saw the signs for months.

"She was my teacher, I knew there was something wrong with her and the

student's relationship," one wrote on social media.

"The student wouldn't do any of the work and she wouldn't bat an eye. I noticed subtle flirting and teasing, the tension between them was insane."

Henrico County Commonwealth's Attorney Shannon Taylor thanked the "brave action" of those who reported the crimes to police, adding: "We are always asking people if they see something unusual, or not quite right, to say something. Because of their efforts, this predator is off the streets, out of our schools, and will be held accountable for her actions."

Henrico Schools called Jordan's arrest "an extremely serious and upsetting situation" in an email to parents last year.

Virgins to pop cherry on TV

C4 is set to shock viewers with a racy new TV show where contestants could lose their virginity on a remote island.

The programme, said to be called *Virgin Island*, will see men and women paired together for an unforgettable experience.

Guidance will be provided by sex experts for those taking the plunge for the first time.

A telly insider revealed: "There's never been a TV show that pushes the boundaries quite like this. The aim is to hopefully have all the virgins find each other attractive, but if that fails then this is the plan B."

"These people are professionals who are constantly on hand for anything that may be required."

It will also feature "sex surrogates" to assist those who are nervous.

YOU may not have heard a note of Doja Cat's music but everyone can agree she has a wonderful set of top bollocks.

And the singer gave us a better view than she expected thanks to a wardrobe malfunction as she hit the red carpet at Grammys 2024.

The *Streets* hitmaker, 28, wore a very racy sheer nude corset-style dress by designer Dilara Findikoglu for music's biggest night, when the top of her dress slipped down – revealing plenty of "outer boll".

The pop babe didn't appear to notice the nip slip, and continued posing for snappas – much to the delight of red-blooded men everywhere.

But Ms Cat is not the only star turn to have given us an unexpected – but welcome – peep of teat.

Here are a few more...

Miss, 45, held after tugging off teen pupil

A SUPPLY teacher was arrested for allegedly wanking off a teenage student.

Cops received a complaint about a substitute teacher having "inappropriate relations" with a pupil.

An investigation led to the arrest of Stephanie Mechelle Woods, 45 (above), of Henagar, Alabama.

It is not clear which school or schools in DeKalb County Woods worked at.

Woods was booked into the DeKalb County Detention Centre on a charge of a school employee engaging in a sex act with a student under the age of 19.

Sheriff Nick Welden said in a statement: "I would like to thank our Investigations Unit and the Board of Education for their earnestness in getting this case taken care of."

"Our children have every right to feel safe at school, and parents have every right to expect it."

"Our children are our No.1 priority and we will protect them at all cost."

Further information on the incident was not released but a source confirmed Woods had "masturbated the pupil's penis until ejaculation".

Junkie avoids jail after she pimped lad, 14

A WOMAN who forced a teenage lad to become a rent boy to fund her drug habit has avoided jail.

Karla Rosa Heath, 48, received a suspended sentence with a ban from working with children at Brisbane Supreme Court in Australia.

Heath had pleaded guilty to supplying dangerous drugs to a child and engaging a child in prostitution.

The court heard Heath committed the offences between 2000 and 2001 when she was aged 24 to 25 and the victim was aged between 14-15.

Heath gave the teen either amphetamines, heroin, or ecstasy while they were on the balcony of her apartment.

Justice Frances Williams said Heath took the victim to a hotel and told him he could make money by offering to have sex in its upstairs rooms.

Heath, who was handed a six-month suspended sentence, later said she was a sex worker at the time, addicted to taking methamphetamine, and her offences against the victim were aimed at obtaining drug money.

CURVY Katie Ryder says she is always being asked if she's related to Happy Mondays star **SHAUN RYDER!**

She said: "Just because I'm from the north, like Shaun, strangers think we must be related.

"Well, we're not – not that I know, leastways.

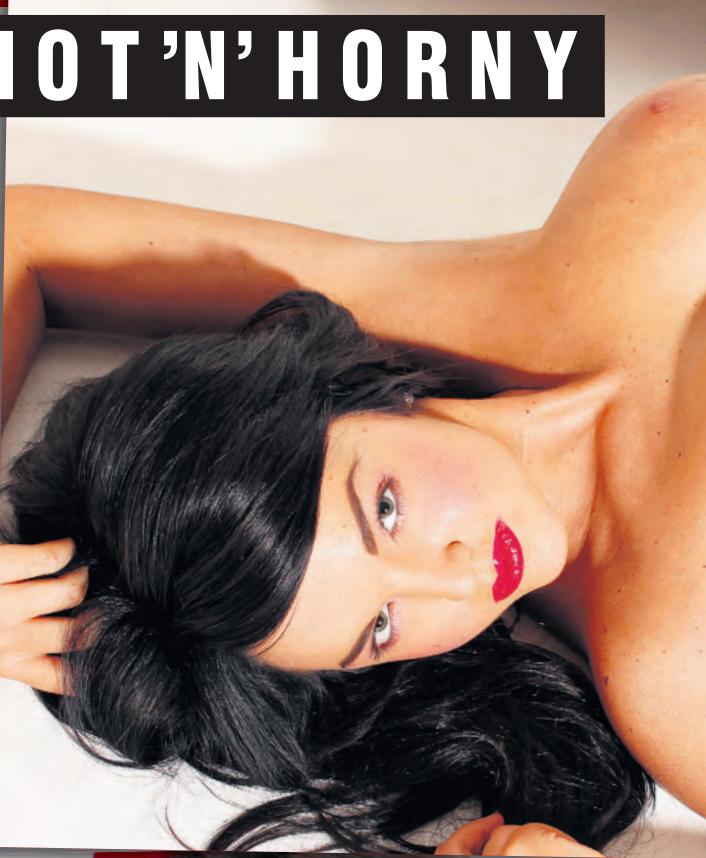

"Maybe very distantly. Perhaps they could get us on *Who Do You Think You Are?* to find out!"

Katie also said she often goes out **COMMANDO** to parties – and she loves a bit of **BUM FUN!**

The stunner, from Preston, said: "I don't mind a bit of backdoor action. I like to keep it for special occasions – like birthdays and Christmas."

The 30G cracker added: "If you use lots of lube you're good to go!"

GRANDMA CHOPPED UP HUBBY AFTER ROW OVER GOLF

HOLE IN ONE:
Deborah
chopped
up Alf

By BRAD CHADWICK
news@sundaysport.co.uk

A 70-YEAR-OLD woman who struggled to carry her knitting bag managed to kill her husband, chop him to pieces and dump his body 100 miles from home.

Deborah Belyea killed 72-year-old hubby Alf after becoming outraged at him spending too much time on the golf course.

Deborah snapped when Alf announced he was seeking another term on the local council – further keeping him from the marital home the hamlet of Suffield, 20 miles west of Medicine Hat in Alberta, Canada.

Deborah Belyea was described in court as a housebound woman with a host of health issues who uses an oxygen tank. One of Deborah's friends told police she struggled to carry her own knitting bag.

The murder took place in November 2021. After Alf returned from a golf game, Deborah killed, dismembered

and disposed of her husband. She would eventually draw a map to his body, leaving the map in her living room for their three daughters.

PC Adam George testified that when he met with her, Deborah had an oxygen tank and "walked slow and unsteady and appeared fragile." He said she was emotional and cried during her statement to police.

Missing

After following the map drawn by Deborah, investigators found a grey bin that "appeared to have a human body tightly wrapped in a blue blanket and black plastic garbage bags."

It was Alf. His arms were missing and have never been recovered.

A second-degree murder conviction comes with a life sentence with no chance of parole for 10 to 25 years so she is likely to spend the rest of her life behind bars.

Mum put baby down for a nap... in oven

A MOTHER burned her one-month-old baby to death in an oven which she mistook for a cot.

Cops described the scene in the Kansas City, Missouri, home as "gruesome," after the tot belonging to mum Mariah Thomas was found badly burnt and not breathing.

Thomas told authorities she "was putting her child down for a nap, and accidentally placed the child in the cooker instead of the crib".

Jackson County Prosecutor Jean Peters Baker said: "We trust the criminal justice system to respond appropriately to these awful circumstances".

Thomas was charged with endangering the welfare of a child and for death of a child.

JAIL GUARD NICKED OVER ROMP WITH LAG

A FEMALE prison guard has been arrested for allegedly shagging an inmate at a men's jail.

Akira Jones, 20 (below), a corrections deputy with the Shelby County Sheriff's Office in Memphis since May 2023, was taken into custody after an internal investigation.

Jones, who has been on leave since December, faces a charge of sexual contact with prisoners.

The deputy's arrest stems from a complaint made on December 20, which accused her of having sex with an inmate at the main county jail known locally as 201 Poplar.

Although the sheriff's office did not specify the gender of the prisoner allegedly involved in the illicit romp, the agency's website states that "male inmates are housed in downtown Memphis at 201 Poplar Avenue".

Sexual contact between sheriff's personnel and inmates is forbidden both by law and by policy.

Couple stole cash and left bodies to rot

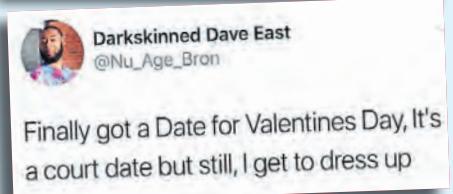

A COUPLE collected funds from hundreds of families for their "eco-friendly" funeral services, then blew the cash on cars, bitcoin and designer jewellery while bodies rotted in their decrepit facility.

Now facing several charges – including money laundering – Jon and Carie Hallford billed their Return to Nature funeral home business as a "return to the traditional way of burial," offering biodegradable interment and cremation for up to £1,500.

But instead of burying clients' loved ones with dignity, the pair went on spending sprees.

Between 2019 and 2023, they also splurged on cryptocurrency, lavish trips away, and four-figure spending sprees at Tiffany & Co and Gucci – while 189 bodies were "stored unrefrigerated, in a room infested by bugs and liquid decomposition," at the facility in Penrose, Colorado, an arrest report stated.

They also allegedly gave families bags of concrete instead of their loved ones' ashes.

**CHRIST! Don't say
you've forgotten!**

Today is Valentine's Day where fellas – for the modest outlay of a box of chocolates and a candlelit meal at your local – can expect a rare blow job from the missus.

The real St Valentine's story is not particularly romantic.

An early Christian bishop, he was killed by the Roman Empire – probably crucified – and buried in an unmarked grave.

But the date of his grisly death – February 14 – is now an opportunity for supermarkets to sell overpriced red roses and other assorted tat.

But the ladies love all that shit – so here's a few pages of babes celebrating St Valentine with their busters out.

THE idea of an orgy is such a thrill. I would love to feel multiple hands exploring all across my naked body.

I used to be quite a prude when I was very young. So maybe that's why the thought of behaving so

slutty now I'm older is so incredibly horny.

I fantasise about going to one of those fancy sex parties in a big posh mansion.

There are lots of beautiful women all dressed up and attractive men and everyone is wearing masquerade masks and dancing like nobody's watching.

The anonymity of the night

makes everyone lose their inhibitions completely. It's a total horn fest!

I end up making out with a very hot girl and her equally sexy mate. Several blokes crowd round us and we invite them to join in.

There are so many cocks in all my holes and I'm in heaven!

LOVELY Leonora Henningan is in the market for a last-minute holiday deal somewhere nice and warm.

She said: "I don't think we've really shaken off the post-Christmas blues yet, so I reckon a nice break somewhere hot and sunny would be in order."

"Maybe I can pick up a deal for the Canary Islands or Dubai."

Leonora, who has 34D boobs and hails from Maidstone in Kent, added: "I'll not leave until I've opened my Valentine's cards, though."

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

More bollocks from the blue hair brigade...

IT was the British countryside's turn to receive the accusing pointed finger of racism last week.

Cows, sheep, and hedgerows – but mainly, of course, the people who tend to them – were blamed for being “unwelcoming” to ethnic minorities.

Jeez. It's easy to huff and puff or laugh at this nonsense, but this is the way the usual suspects creep into our national conversation.

One minute we are the greatest country on earth which, despite our relative size, helped us educate, and improve, and bring peace to a huge swathe of it.

The next, we're all rabid, frothing racists, just because some half-baked idiot with blue hair clutching a degree in “David Beckham” says so.

I don't and won't buy into this never-ending litany of bollocks.

Because just like people, ALL countries have arseholes. That's life.

Were Islamic State being racist when they started ruthlessly killing people who didn't share their mad religious beliefs? Yes.

Are extremist Islamists racists when they blow up a bus in London or kids attending a pop concert in Manchester? Yes.

Are Hamas terrorists racists by wanting to annihilate Israel, and far more importantly, the Jews themselves? Easy answer: Yes.

Although you might not learn that from the impossibly stupid people who march to support them.

Or from the BBC.

Are some in the Iranian regime also racist towards Israel, along with hating Iraq, whose own regime isn't very nice to the Kurds but also detest the USA? Yes, again.

Are the Saudis racist in their war against Yemen? Yes.

Are people on the continent of Africa racist towards other Africans because they come from the “wrong” African country or the “wrong” tribe? Yes.

Do some Thai people have a deep suspicion and underlying hatred of Koreans? Yes.

Are southerners racist when they dismiss the rest of the UK, which many of them see as another country, as a bit dim, especially those “oop North”? Yes.

There ain't no baa-lack in the Union Jack

Are some Scots racist towards the English? Absolutely.

Equally, are some of the English racist towards the Scots – and for that matter, the Welsh and the Irish, too? Yes.

Are some of the Welsh being racist when they switch into their own lingo when you walk into one of their north Wales gift shops? Of course they are.

The truth is there are arseholes everywhere, but that doesn't come from the people themselves. It comes from those at the top, right around the world.

It's politicians of all creeds who decide who is a goodie and who is a baddie.

They are the people who pit country against country, religion against religion, tribe against tribe, north against south, east against west and vice versa. Not us.

If the countryside is now deemed racist, too – which is preposterous – then we may as well pack our bags and hand the keys to the kingdom to the blue-haired brigade.

Maybe they'd finally be happy. Or maybe they'd just find something else to stamp their little feet about.

Or maybe we can just direct them to the door of the Learn To Grow The F**k Up Department instead, if the staff there aren't already out on strike.

Wrestle star 'gunned down wife at home'

RETIRED wrestling star Billy Jack Haynes has been arrested for allegedly fatally shooting his wife at their home.

Police responded to reports of gunfire in the Portland, Oregon, neighbourhood of Lents and learned that Haynes, 70 (above), was inside the house and refusing to come out.

With the help of SWAT teams, Haynes was taken into custody without incident after a two-hour standoff.

Police found his wife, Janette Becroft, 85, dead inside the home.

They said after the arrest: "He is in police custody at a local hospital while he is being treated for a medical condition unrelated to the homicide or his contact with law enforcement."

"Once he is released from hospital, which may be days from now, he is expected to be booked into jail. Haynes's charges will be released once he is booked."

Haynes is best known for his run in the World Wrestling Federation from 1986 to 1988, when he earned a spot on the famed 1987 Wrestlemania III card in Detroit.

Haynes is expected to be charged with murder.

Plague fear as local bit by pet mog

OFFICIALS in the woke US state of Oregon are rushing to contain an outbreak of bubonic plague.

An unidentified resident is believed to have contracted it from their pet cat.

Dr Richard Fawcett, the Deschutes County health officer, said in a statement: "All close contacts of the resident and their pet have been contacted and provided medication to prevent illness."

There is little risk to the community as the case was identified and treated in the earlier stages of the disease, Dr Fawcett added.

No additional cases of plague have emerged during the communicable disease investigation, according to officials.

This is the first case of bubonic plague in Oregon since a 16-year-old contracted the disease in 2015.

The teenager fell ill after being bitten by an infected flea during a hunting trip near Heppner in Morrow County.

There had been eight cases in the state in the previous 20 years.

Hollyoaks babe turned OnlyFans stunna set for massive comeback

SEXY SARAH JAYNE LINED UP FOR CELEB BIG BROTHER

SCREEN QUEEN:
Sarah on *Hollyoaks* (above) now makes OnlyFans content

THE next series of *Celebrity Big Brother* may actually be worth watching – because fun-loving beauty Sarah Jayne Dunn is being lined up to appear on it.

Producers are "in talks" with the blonde beauty for the show's upcoming return.

The actress, 42, is known for having played Mandy Richardson on *Hollyoaks* for more than two decades.

She'd joined the Channel 4 soap in 1996 and was reportedly let go from it in 2021 after launching a racy OnlyFans page.

Sarah said she doesn't regret her decision to swap *Hollyoaks* for OnlyFans and is now also set to appear in a documentary about the adults-only site later this year.

Celebrity Big Brother is set to return on its new home ITV next month, after having previously been broadcast by Channel 5 and, prior to that, Channel 4.

By SUZIE SHELDON
news@sundaysport.co.uk

Sarah, whose other acting credits include roles in *Casualty* and *Doctors*, is sure to be a hit in the CBB house.

An insider said: "Sarah would be an amazing signing for the reality TV show. She's one of soap's most recognisable faces and a big personality that fans would really warm to."

Beans

"No-one has put pen to paper yet but the feeling is that Sarah would have a lot to offer the show and could spill the beans on her time on *Hollyoaks* and her decision to work on OnlyFans."

There's been speculation about the line-up for weeks and it's previously been reported Amir Khan's wife Faryal Makhdoom, *Dragons' Den* star Levi Roots, and ex-rugby player James Haskell could also be housemates.

THE WORLD FAMOUS AGONY Page

Dear Bexie,

LAST week I was in the back room, having a cheeky wank while the wife was out, when there was a tap at the French windows – it was the woman from next door!

She's no oil painting, but for a woman of about 50 she has a nice figure and big tits.

She beckoned me to let her in while motioning a tossing action, licking her lips and jiggling her boobs as well as flashing her knickers to me.

As soon as the doors were open she rushed in and pushed me back into an armchair, before gripping my raging hard-on.

Then she gave me the best handjob of my life – taking my glistening tip into her mouth as she tugged me off until I shot my load over her face and cleavage.

Should I knock on her back door for a repeat performance?

JH, West Midlands

Bexie says...
DEFINITELY. Why don't you give her some pleasure next time and go down on her?

Dear Bexie,

I HAVE recently returned from a lads' holiday in Tenerife. By the end of our first night my mates had poked several fat birds and we were all having a whale of a time – pardon the pun!

I'd promised my girlfriend back home that I'd stay faithful, but on the last night I was well pissed and got lost in the hotel.

Down the wrong corridor I saw two women necking outside a room. They called me over and invited me in. One was a cute blonde and the other was a busty redhead.

They explained they were lesbos – so I couldn't join in – who enjoyed having an audience. So I sat on the balcony, pulling my pud, as I watched them get down to business on the couch.

They took it in turn to lick each other's moist fannies while slipping fingers up both holes and slurping each other's fanny lips and nipples.

Last weekend, I told my girlfriend about it and she booted me in the balls and dumped me. What did I do wrong?

RC, Hartlepool

Bexie says...
YOU shouldn't have told her, you dick!

Nympho girlfriend puts it about all over town

Dear Bexie,

I LOVE my girlfriend of three years very much but she's an absolute slag who puts it about all over town.

I've caught her shagging my mates from the pub, yet I still can't resist her. I always take her back like a lapdog.

There is a plus side to living with this woman though – I'm constantly on the job, slurping on her fanny, getting my cock sucked or thrusting up her with all I've got.

But things went too far last week when I found her in bed with a bloke I'd hired to do some decorating.

I just don't know whether to kick her into touch – and lose my regular helpings of great sex – or continue to ignore her behaviour.

I'm desperate. What should I do?

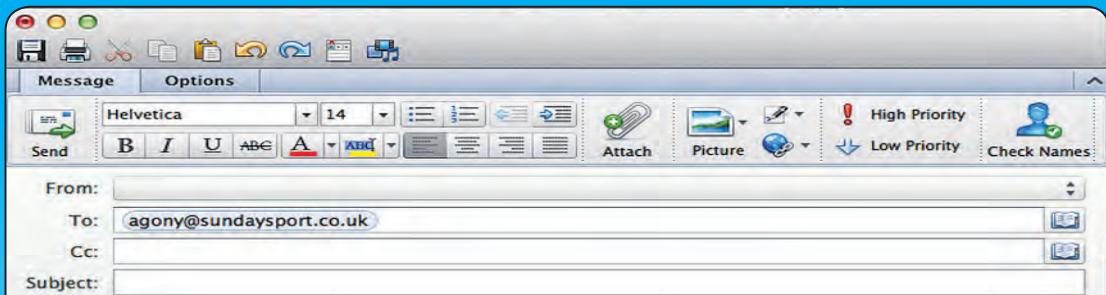

K.J., Hants

Bexie says...

KICK her out now – you'll never be happy with this tart.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXIE WILLIAMS has been reading through your letters. And here's her advice for you...

Blackmail babe has made me sex slave

Dear Bexie,

MY girl's best mate is a right dirty bird and she's wanted to shag me for ages.

I managed to resist until I finally succumbed a couple of weeks ago.

My girlfriend was away at a conference for the weekend and her mate came to my flat clutching a couple of bottles of wine.

She was wearing a short skirt and her big boobs were almost spilling out of her low-cut top.

I invited her in and we soon polished off the vino.

She then stripped off to just her tiny black panties and wasted no time getting my throbbing meat out and started expertly sucking me off.

Bumhole

It was brilliant watching her lick and tease the old fella until I could hold out no longer and she loved it when I spanked all over her face.

She then ordered me to watch as she pleasured herself with an empty wine bottle in her fanny and tight little arse until I was rock-hard again.

So I led her to the bedroom and gave her a good shafting doggy-style.

I also slipped my knob up her bumhole for good measure.

But she was insatiable and made me

lie back on the bed before climbing on top and bouncing up and down on my cock until I shot my load again deep inside her.

But when I woke up the next day, I felt really guilty about having sex with my girlfriend's mate.

I told her that we couldn't have sex again but she said she would tell my missus if I didn't carry on seeing her.

She explained that she didn't really like my girlfriend and if their friendship ended she wouldn't be that bothered.

So I now have to bang her twice a week, just to keep her off my back.

The last time we did it she tied me to

her bed and got some sex toys from her wardrobe.

After pleasuring herself in front of me, she then shagged me up the arse with a big dildo.

I'm virtually her sex slave. What should I do?

PF, Birmingham

Bexie says...

WHAT an evil woman. You should come clean with your girlfriend and beg her for forgiveness. Otherwise, you'll just have to get used to the ass-fking, mister!**

Dear Bexie,

MY husband likes to take explicit nude photos of me on his mobile and a few weeks ago he invited a couple of his mates to join him.

My hubby videoed me with his mates as they all gathered round me in the lounge and slowly removed my sexy undies.

One of the fellas began feeling my boobs while the other kissed me passionately on the mouth.

Then I felt the first lad's hot tongue, teasing my stiff nipples as I writhed around in pleasure.

One of the men pushed me down on to my back and spread my legs before ripping my little G-string off.

Well, I was dripping wet by this point and groaned deeply as he went down on me and started to lick me out as my husband hovered over us with his mobile still recording.

Then my man set the phone up on a coffee table and joined in.

He was giving me one when he told me to give handjobs to his two mates.

It was so horny and the film we made was awesome.

Now we make a new film every week.

The only problem is that I think it's a bit strange that my husband wants to share me with his mates.

Should I carry on?

MS, Notts

Bexie says...

MY wife is a wonderful woman and she's still as pretty now as she was when I married her 10 years ago.

She's quite a little minx in the sack too and we enjoy most forms of sex together – all the usual positions plus a few other things that most couples might class as "taboo".

However, one thing she just WON'T do is give me a bloody blowjob.

No matter how many times I beg her, she simply will not have my dick in her gob.

Which is a joke because she adores it when I go down on her, sometimes for about 20 minutes at a time.

We stay in on Saturday nights – even though our children go to my wife's parents until Sunday afternoon.

Porn

When they first started staying out, we used to go down the pub with pals.

But we prefer to stay at home now and watch some porn on the laptop and have a couple of glasses of wine to get us in the mood.

And we always end up having wild sex on the lounge floor. Sometimes she'll get on top and ride me like a bucking bronco and other times she'll get on all fours while I bang her hard and fast doggy-style.

But once we've finished, I always fancy getting a gobble, yet she just won't do it.

I've asked her if there's a reason but she says she doesn't like the feel of it.

What can I do?

MB, London

Bexie says...

ORAL sex is okay but not every girl likes it. Have you tried washing your cock after the 'taboo' fun?

IF you stop enjoying it, stop doing the group sex sessions and tell your hubby to watch the back catalogue.

JUICY Jemma Henley says she loves her crisp, white panties!

The 30G cracker, from Lewisham in south London, explained: "I know a lot of girls think black is the sexiest colour for undies, but I love white."

"I read somewhere that little white panties are worn by women who are all sweet and innocent."

"Well, I'm not innocent and can

show any man that girls in white panties can be VERY raunchy!"

But Jemma's very favourite pair of white panties turned PINK.

She revealed: "I was washing my white panties and left in a fairly new red blouse in the washing machine. My knickers came out pink – it's just a good job I like the colour pink, too!"

DEBBIE CLARK

GLAMOUR legend Debbie Clark was requested by Jody Hunter, who begged to see a picture of the Braintree babe.

The 56-year-old factory worker, from Glasgow, reckons Debbie would be his perfect match

He said: "I reckon we'd be a decent match, look at those perfect 32Cs."

"She's definitely the best-looking thing to come from Essex – and those boobs get me stiff every time!"

CHARLOTTE GREEN

SUNDAY League striker Nathan Holden is his team's top goalscorer, but there's only one place he wants to score – and that's with Charlotte Green.

Nathan, 28, plays football for his local team in south London, but he has his eyes on beauty Charlotte, from Staines, Surrey.

With her 30F norts, there's no woman Nathan would rather play with, insisting:

"She's a firecracker. Glamour girls love footballers and, trust me, if she was in my bed it wouldn't just be on the field I was scoring goals – there'd be hat-tricks in the bedroom with Charlotte!"

**PENNY
LEE**

PUB landlord Justin Lowton loves topless babe Penny Lee and begged us for a sexy snap of her.

The 62-year-old says he has pictures of Penny, from Worthing, west Sussex, saved on his phone and loves to show her off to regulars in his Mersey-side pub.

Justin said: "I've got a stash of photos of Penny. When it's late at night and it's just the blokes, I'll show them her pictures."

"She's the pub's favourite girl – and with her 32E boobs it's no wonder!"

THE NEW SUPER LEAGUE SEASON

WARRIORS DEFENDING THEIR TITLE

Can classy Wigan be caught by the pack?

THE new Betfred Super League season kicks off in style on Thursday with what promises to be a ferociously contested Hull derby at the MKM Stadium.

Will Wigan retain their crown, will St Helens relish their unaccustomed role as underdogs, or will this year's winners hail from somewhere wholly unexpected?

Here's our look at the runners and riders for 2024.

CASTLEFORD

Coach: Craig Lingard
Key ins: Nixon Putt (Central Queensland); Luke Hooley (Leeds); Rowan Milnes (Hull KR).
Key outs: Niall Evalds (Hull KR); Blake Austin (loan expired); Gareth Widopp (Halifax).

Prospects: New head coach Lingard will need to draw on all his experience of over-achieving during his previous role at Batley if he is to keep Cas out of the bottom two. Much will depend on how the likes of Hooley and Milnes react to frustration at their previous clubs and make the

Tigers spine their own.
Odds to finish top: 6/1
Predicted finish: 11th

CATALANS DRAGONS

Coach: Steve McNamara
Key ins: Theo Fages (Huddersfield); Jayden Nikorima (Melbourne); Jordan Abdull (Hull KR)
Key outs: Sam Tomkins (retired); Adam Keighran (Wigan); Mitchell Pearce (retired)

Prospects: Last year's Grand Finalists have lost a host of key names in the close season and it is debatable whether their recruitment will leave them strong enough to return to the Old Trafford showpiece. Retiring duo Tomkins and Pearce leave big holes to fill, but McNamara's men are surely still strong enough to seal a play-off place with something to spare.

Odds to finish top: 11/1
Predicted finish: 4th

HUDDERSFIELD

Coach: Ian Watson
Key ins: Adam Clune (Newcastle Knights); Adam Swift (Hull); Hugo Salabio (Wakefield).
Key outs: Theo Fages (Catalans); Chris McQueen (retired); Jermaine McGillvary (Wakefield).

Prospects: The excitement created by the news that Tom

Burgess will be joining the Giants for 2025 won't help them much this season but does at least underscore the ambition of a club that flopped to a disappointing ninth-place finish last term. They may well have to wait for Burgess before they can launch a serious bid for a play-off berth.

Odds to finish top: 28/1
Predicted finish: 10th

HULL

Coach: Tony Smith
Key ins: Herman Ese'eze (Dolphins); Liam Tindall (Leeds); Fa'amana Brown (Newcastle Knights).

Key outs: Jake Clifford (North Queensland); Chris Satae (Catalans); Adam Swift (Huddersfield).

Prospects: Two trying seasons have left the experienced Smith under no illusions that he has to deliver in 2024, and the departure of Clifford, in particular, is a major blow. But there were some early signs of improvement towards the end of last year and the black-and-whites should come much closer – if not quite close enough – this term.

Odds to finish top: 33/1
Predicted finish: 8th

HULL KR

Coach: Willie Peters
Key ins: Tyrone May (Catalans); Peta Hiku (North Queensland); Jai Whitbread (Wakefield).

Key outs: Shaun Kenny-Dowall (retired); Rhys Kennedy (London); Jordan Abdull (Catalans).

Prospects: Rovers had a memorable 2023, coming agonisingly close at Wembley and reaching the play-off semi-finals, and are clearly a club heading in the right direction. May is a superb addition in the halves, but the messy departures of Abdull and ex-assistant coach Danny McGuire suggest Rovers have some issues to address before they take the next step to silverware.

Odds to finish top: 16/1
Predicted finish: 5th

LEEDS

Coach: Rohan Smith
Key ins: Lachlan Miller (Newcastle Knights); Brodie Croft (Salford); Andy Ackers (Salford).

Key outs: Aidan Sezer (Wests Tigers); Sam Walters (Wigan); Blake Austin (released).

Prospects: The arrival of ex-Man of Steel Brodie Croft from Salford was a real statement of intent from the Rhinos, and after a strong recruitment drive –

marred only by the inexplicable loss of Walters – Smith's men are surely well equipped to push into the post-season. Anything less will not be tolerated by the long-suffering hordes at Headingley.

Odds to finish top: 15/2
Predicted finish: 3rd

LEIGH

Coach: Adrian Lam

Key ins: Matt Moylan (Cronulla Sharks); Owen Trout (Huddersfield); Jack Dargyshire (Warrington).

Key outs: Joe Mellor (Salford); Ben Reynolds (Featherstone); Joe Wardle (Oldham).

Prospects: Keen to prove themselves more than one-season wonders, the Challenge Cup holders have kept a low profile in the transfer market, wisely focusing on retaining those stars who made their first season back in the top-flight such a success. Barring injuries to their key men, there is no reason why Lam's side should not repeat last season's push into the play-offs.

Odds to finish top: 18/1
Predicted finish: 6th

LONDON

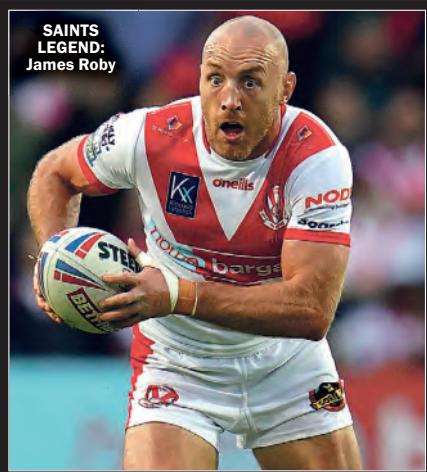

Coach: Mike Eccles

Key ins: Sadiq Adebiyi (Keighley); Rhys Kennedy

Clark has big boots to fill for St Helens

By PAUL THOMAS

DARYL Clark is under no illusions about the size of the boots he has to fill as he prepares to pull on St Helens' famous number nine shirt for the first time in Betfred Super League action this week.

The 31-year-old hooker ended his decade-long stay with Warrington at the end of last season to step into the role vacated by James Roby, who retired after 19 trophy-laden years, with 551 appearances to his name.

Having assumed a role on the coaching staff, Roby's presence continues to loom large at the Totally Wicked Stadium, but Clark is convinced his best route to emulating even a fraction of his predecessor's success lies in making the position his own.

Clark said: "I knew the challenge when I signed up for it."

"I know I'm not going to be at this club as long and I'm not going to achieve as much as Robes has done at this club, but hopefully I'll be part of some success and write my own little part of history."

Ambition

"I have already spoken to Robes and I'm sure he will be there to give me some tips and advice going forward. But it is important that I am judged by my own performances and not against his."

Clark's ambition was echoed by Saints head coach Paul Wellens, who ear-marked him as the man to replace Roby as soon as the stalwart confirmed the 2023 season would be his last, but insisted he had never envisaged like-for-like replacement.

"If Daryl goes out there to be the best version of himself, he will improve our team," insisted Wellens.

"I need to be clear on this – it would be absolutely ridiculous of

NEW No9: Clark

Daryl to go out there and try to be James Roby.

"In James Roby, he's got someone there to have a chat or give guidance and that's absolutely fine.

"But he's also an experienced player in his own right, who knows what the game looks like at the highest level, so I told him to 'just go out there and be you' and that's what I think the players and certainly I will respect."

Having come through the ranks with his home-town club Castleford, Clark experienced five straight final losses – three in the Challenge Cup and twice in Grand Finals – before finally striking it sixth time lucky, ironically against Saints, at Wembley in 2019.

A recipient of the prestigious Super League Man of Steel in his final season Wheldon Road, he is relishing the task of helping Saints reclaim the trophy-winning status they lost to Lancashire rivals Wigan at the end of last season.

"The general feeling is that we'd been champions for so long and to get knocked off last year put us back chasing – and I think that could be a good thing," he added.

"The main reason I came to Saints at this point in my career is because I wanted to be involved in the big games and win some silverware and that is what I have every intention of doing in the future."

(Hull KR): Hakim Miloudi (Limoux).
Key outs: Dean Whare (released); Corey Norman (released); Paul Ulberg (Toulouse).

Prospects: The Broncos can hardly be blamed for not splashing the cash due to the impending IMGgradings which are seemingly certain to consign them to relegation irrespective of how they do on the field. Eccles will have to work all his magic to get more than a handful of wins out of a squad that still looks Championship level at best.

Odds to finish top: 250/1
Predicted finish: 12th

SALFORD

Coach: Paul Rowley

Key ins: Nene Macdonald (Leeds); Ethan Ryan (Hull KR); Joe Shorrocks (Wigan).
Key outs: Brodie Croft (Leeds); Andy Ackers (Leeds); Ken Slo (released).

Bested by financial and stadium concerns, this has been a close season to forget for Salford fans, who have seen last year's star names Croft and Ackers drift over the Pennines. But they have recruited astutely, and head coach Rowley can be guaranteed to get the best out of a squad that still

promises to have their moments.
Odds to finish top: 66/1
Predicted finish: 9th

ST HELENS

Coach: Paul Wellens

Key ins: Daryl Clark (Warrington); Matt Whitley (Catalans); Waga Blake (Parramatta).
Key outs: James Roby (retired); Will Hopoate (released); Louie McCarthy-Scarsbrook (retired).

Prospects: Saints being Saints, they have reacted to the twin blows of losing their four-year grip on the title, and of the retirement of the talismanic James Roby, with anything but panic. Keeping changes to a minimum, Wellens has sourced the best possible replacement for Roby in Clark, and their hunger to win back the title will make his side more dangerous than ever.

Odds to finish top: 3/1
Predicted finish: 7th

WIGAN

Coach: Matt Peet
Key ins: Kruise Leeming (Gold Coast); Sam Walters (Leeds); Adam Keighran (Catalans).

Key outs: Kai Pearce-Paul (Newcastle); Morgan Smithies (Canberra); Sam Powell (Warrington)

Prospects: Some superb recruitment has arguably left the champions in a stronger place than the end of their victorious 2023 campaign. It only remains to be seen whether the distraction of this month's World Club Challenge, and the time needed to bed in the new boys, will cost them in what is likely to prove an extremely tight two-horse race.

Odds to finish top: 11/8
Predicted finish: 2nd

WARRINGTON

Coach: Sam Burgess

Key ins: Lachlan Fitzgibbon (Newcastle Knights); Toby King (Wigan); Zane Musgrave (St George).
Key outs: Daryl Clark (St Helens); Peter Mata'utia (retired); Sam Kasiano (released).

Prospects: The arrival of Burgess has attracted column

ALL THE TOP TIPS FOR TODAY'S RACING

BATAL DUBAI

BATAL CAN WIN KEMPTON BATTLE

By MIKE FRANCIS

BATAL Dubai can resume his progress by winning the TryUnibet's Improved Bet Builder Handicap at Kempton.

A quality field has assembled for the best race of the day, and Harry Charlton's sprinter can show the benefit of his last run at Newcastle on New Year's Day.

That was his first outing for 74 days, having won at Chelmsford back in October, so it will have pleased connections that he showed up so well for so long in such a competitive race.

Clifford Lee attempted to make all and when he was headed two furlongs out, it could possibly have been expected that he would drop away but he stuck on really gamely to finish third behind Albasheer and the reopposing Fivethousandstoone.

Division
He is 2lb better off with the runner-up for just over a length on this occasion, so combined with the fact he should strip fitter for the run, he can turn the tables.

Charlie Appleby's Native Approach was a beaten favourite on his debut but he still went into plenty of notebooks.

He reappears in the first division of the Unibet More Extra Place Races Maiden

Stakes and it will take a smart one to beat him.

The son of Too Darn Hot was unraced at two and made his debut over seven furlongs at Kempton last month.

Having missed the break, he was always up against it but he stayed on powerfully to be just beaten half a length.

Up to a mile this time, he should take a world of beating.

The handicapper has not been able to keep up with Simon and Ed Crisford's Inverlochy who is out again in the Unibet Zero% Mission Fillies' Handicap.

Winner of four of her last five starts, her winning run began off a mark of 66 and she is up to 78 now.

Her last success was only by a neck and she is 3lb

higher but she is one of those who only does enough, if she is allowed to dominate.

Henry de Bromhead sends Emotivo on the long journey from his County Waterford base to Hereford and the hint should be taken.

Fourth in juvenile hurdles at Down Royal and Gowran, she is likely to find the standard easier in Herefordshire.

Debut

Rated 83 at her peak on the Flat, she is clearly no mug but she will need to settle better than last time out.

Illico De Cotte is given one more chance in the Download at the Vickers.Bet App Maiden Hurdle.

After being beaten a nose at Lingfield on his rules debut, he was upped in class

at Cheltenham but he was pulled up quickly after losing a shoe.

Down in grade at Wincanton, he was beaten a length by Oak Creek.

He has been found a good opportunity to open his account.

Torneo appears to have been well placed by Jamie Snowden in the Southern Cranes & Access Ltd. Handicap Hurdle at Fontwell.

The four-year-old is taking on his elders but in receipt of the age allowance and off a low handicap mark, he is getting a stone off top weight, the 111-rated Nashville Nipper.

Second on hurdling debut at Catterick, he was third to Triumph favourite Sir Gino at Kempton before bolting up in a bad race at Wetherby.

He may be better than an initial rating of 109.

SCOTT IS UNITED'S SUPERSUB

McTominay spirit can fire Red Devils into top four booms defender Dalot

DIOGO Dalot believes super sub Scott McTominay's never-say-die approach is the kind of mentality Manchester United need if they are to qualify for the Champions League.

A bumpy, injury-hit start to the season saw pressure mount on manager Erik ten Hag as his side were eliminated from Europe and stumbled badly on the domestic front.

But there have been signs of improvement since the turn of the year, with United's unbeaten start to 2024 continuing with a late, hard-fought Premier League win at Villa Park.

Douglas Luiz deservedly cancelled out Rasmus Hojlund's opener, only for substitute McTominay to meet Dalot's excellent cross with a

By PAUL THOMAS

thundering header to make it 2-1, four minutes from time.

"I think every time he comes on the pitch, he has that mentality of trying to score goals and trying to help the team," United right-back Dalot said. "We need this type of mentality at this club and I think he is the perfect person to show this season that even coming from the bench, he always has a good impact."

McTominay's goal was his seventh in the league this season and fourth as a substitute – a league-high tally from the bench only matched by Brighton striker Joao Pedro.

The bullet header allowed sixth-placed United to reduce the gap to Villa in fifth to five points, with Tottenham a point better off in fourth.

"I think it is a really important

win," Dalot said of the push for Champions League qualification.

"We knew that today was like a final for us; pretty much every game will be for us now if we want to get top four."

"We prepared well and I am very happy with the way we performed and how we fought until the end to get the win."

Fought

"It was registered (how important the Villa match was) at the start of the week when we started preparing for the game."

"I think we had a full week of concentration and everybody tuned into what we could expect today."

"It is exactly how we prepared and how we tried to be, but like I said, we fought until the end and we really deserved the three points."

United did, though, have to ride their luck at times. Dalot praised

goalkeeper Andre Onana for his performance – "he's been fighting for it", he said – and went onto highlight the impact of United's forwards.

"When we start scoring goals, you can see how fresh they are and how motivated they are and we are very happy that they are scoring lots of goals," the Portugal international said.

"(Hojlund) brings calm and that's what wins games and gives you more confidence."

"He has adapted to the team really well and we have adapted to him really well. Hopefully, he can score a lot more goals."

Hojlund's fifth goal in five Premier League appearances continued a run that started with his winner in 3-2 Boxing Day turnaround against Villa.

Unai Emery's side came away with nothing from those matches and midfielder Jacob Ramsey bemoaned

FROM THE PREMIER LEAGUE

a lack of killer instinct on Sunday.

"We want to win games and we've not been great at home recently but we can take positives from the performance," he said.

"Manchester United are a big team and we were dominant today. We were just lacking the last ball in the final third."

Challenge

At least Villa had some better news as Leon Bailey has signed a new contract, the Premier League club have announced.

The 26-year-old Jamaican winger has extended his stay, having initially moved to Villa Park from Bayer Leverkusen in 2021.

Bailey has scored seven goals in 21 appearances this season to help Unai Emery's side mount an

unexpected top-four Premier League challenge.

In total, the former Genk forward has scored 16 goals in 87 appearances for Villa – and he provided the assist for Douglas Luiz in Sunday's 2-1 home defeat to Manchester United.

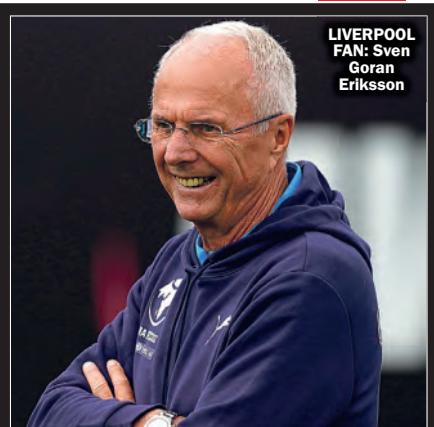

Only Ollie Watkins, who has hit the target 11 times, has scored more goals for Villa in the Premier League this season than Bailey.

He is currently tied with midfielder Douglas Luiz on seven league goals for the campaign.

On top of that, Bailey has also found the net once in the Europa Conference League and scored twice during qualifying for that competition as Villa have performed well in Europe.

Sven Kops his dream job for day

SVEN-Goran Eriksson will fulfil his lifelong dream of managing Liverpool when he takes his place in the LFC Legends dugout for a charity game against Ajax Legends next month.

Former England boss Eriksson revealed in January he had "best case a year" to live after being diagnosed with pancreatic cancer.

During a round of TV interviews upon revealing his health issues, the 76-year-old Swede disclosed his lifelong love for Liverpool and how he always wished to be manager of the club.

Liverpool announced on Tuesday morning that Eriksson, who guided England to the quarter-finals of the 2002 and 2006 World Cups, will be part of the LFC Legends management team at Anfield for the match on March 23.

Welcome

"The former England boss will join a dugout of LFC greats, including Ian Rush, John Barnes and John Aldridge, for the annual LFC Foundation charity match," Liverpool said.

"All connected with the club and LFC Foundation look forward to warmly welcoming LFC fan Sven and his family to Anfield – and seeing him in the dugout on the day – for a fantastic fundraising occasion."

Reds boss Jurgen Klopp, speaking shortly after Eriksson went public with

his diagnosis, opened the door for the Swede to spend the day as Liverpool manager.

"I don't know him, unfortunately not," the German was quoted as saying in several newspapers. "I know him without knowing him, we never met."

"Yes, it was obviously very touching news when you heard about it. I heard for the first time about his admiration or love for Liverpool and that he was a fan for his whole life."

"Absolutely he's very welcome to come here and he can sit in my seat in my office and do my job for a day if he wants. That's no problem."

"Being on the sideline might be a little bit more difficult. To have him here and show him everything and how this wonderful club developed over the years, I think that's definitely something we will tell him. He can come over and have a few wonderful hours here, I'm sure."

Liverpool's squad for next month's charity game will include the likes of Jerzy Dudek, Sander Westerveld, Martin Skrtel, Fabio Aurelio, Gregory Vignal and Djibril Cisse, while former Reds and Ajax forward Ryan Babel will feature for both sides.

LFC Foundation's two previous 'Legends' matches against Manchester United and Celtic raised £1.45million in total for the club's charity and its partners, Liverpool said.

DIOMANDE'S A DIAMOND!

NEW RANGERS midfielder Mohamed Diomande says he can be a utility man at Ibrox.

He made his first start since this week and wants to be a mainstay for Phillippe Clement. He said: "I can play anywhere in the middle."

"So I can play No 6, No 8 and No 10 also. I just use my opportunity to help the team. Wherever the manager plays me, I am just going to try and do my best for the team. My position is No 8, but I can play anywhere in the middle."

And he's excited about playing in front of such a massive crowd after moving from Denmark.

Diomande added: "It is something different for me. In Nordsjaelland we would have 5,000 spectators. Coming here is a massive transition. But it will give me the adrenaline to push myself because I know there are people behind me who are supporting me."

SAK ON ATTACK

Bukayo: We're Gunner win the title

BUKAYO Saka says Arsenal's thrashing of West Ham on Sunday proves they can win the Premier League.

The Gunners kept the gap at the top at two points as they got their biggest Premier League away win with a 6-0 victory.

Saka scored twice,

including a penalty having missed a crucial spot-kick in the same game last season, while William Saliba, Leandro Trossard, Gabriel Magalhaes and former West Ham captain Declan Rice completed the rout.

It was one of the most eye-catching displays of

Mikel Arteta's reign as Arsenal boss and Saka feels it also sent a message to those in the title race.

"We knew this was a big game and it was really important to make a statement," he said.

"I think we did really well scoring six and keeping a clean sheet."

Saka's penalty saw him move to 50 goals for

Arsenal and he now has 10 goals and seven assists in the league this season.

"Of course I have my own targets," he added.

"I know the media like to compare players. I stay in my own lane and stay focused on what I wanted to achieve at the start of the season."

"I'm still going and I've got quite a few more to go."
